

B. C. S. Bulletin To Old Boys

VOL. XIX No. 1 COMPILER: H. L. HALL, M. A. ('16-'27) NOVEMBER 1959

THE HEADMASTER'S MESSAGE:

As I said at Thanksgiving, it is difficult for me to realize that I am in my tenth year as headmaster of B. C. S. I would like to think that we have made progress in that decade, though I know that a very great deal of it stems from the interest and help of Old Boys and friends of the School. We have only to look at our new gymnasium and St. Martin's, an abundant blessing already, to appreciate the truth of this. I trust you will believe my continuing desire, and that of the staff, to improve our standards. With your continuing support I feel confident we can.

For whatever reason may be, enrolment continues to be heavy. I mention this in order that Old Boys who want to send their sons to the School may take action in plenty of time. We relish sons of Old Boys coming to B. C. S. I should hate to have to turn any away.

As always, we extend a very warm invitation to you to visit us whenever you can. It would be a pleasure to see you.

THE THANKSGIVING WEEK-END: OCTOBER 10-12

In spite of variable weather, the Thanksgiving week-end was distinctly successful, the highlight of which was the Dedication of the new Chapel when hundreds of parents, Old Boys, friends and members of the School crowded Saint Martin's Chapel for the Service conducted by the Archbishop of Quebec. The 1st Lesson was read by Archdeacon Matthews and the 2nd by the Headmaster. The Choir sang the Jubilate (Stanford in C) and César Franck's, "O Praise Ye the Lord". At the Chancel steps, a Petition was read and presented by the Chairman of the Board, after which the Archbishop accepted the Petition, answered and consented. Then followed the Sentence of Dedication, read by the Chairman, with the Prayer of Dedication and other prayers offered by the Archbishop. Choosing as his text, "This is none other but the house of God, and this is the gate of Heaven" (Genesis 28:17), the Archbishop delivered a sermon most appropriate to the occasion, emphasizing the point that the Chapel would always be a potent factor in the lives of the boys and that the memory of this Dedication Service would remain in their lives forever. Mrs. Robert Bell, L. Mus., played the organ, and her rendering of the Preludes by Mendelssohn, Franck and Purcell, and the Postlude by Dubois, especially Franck's, *Pièce Héroïque*, showed her skill and ability to prove the range, tone and excellence of the new pipe organ installed during the summer.

Sunday afternoon from 4.30 to 6.00. the Headmaster and Mrs. Glass received the many friends, parents and Old Boys at a Tea and Reception in the School Dining Hall.

Sunday evening at 8.30, an Evensong Service was held in St. Martin's Chapel.

Monday morning, the annual football game between the Old Boys and the School took place, the Old Boys defeating the School. At 11.30, Prize Giving took place in the new Gym. Seated on the Platform were: Col. W. Ogilvie who presented the Prizes, Mr. Justice Mitchell, the Headmaster, G.A. Sharp. D. Doheny, R. McLernon, W. Davis, J. Baillie, E. Webster, D. McNeill, D. McMaster, F.R. Pattison, Col. Brine.

The Chairman welcomed the many guests and called upon the Headmaster to address the assembly, who at the outset said that BCS had many blessings to be grateful for, especially the new Chapel and Gym, and thanked all who by their loyalty and generosity had made these gifts possible. Then followed a review of the year's activities in which he paid tribute to a devoted Board of Directors, Staff and School Officers, and pointed out that BCS was not a school for coddling but for hard work, proof of which was the record number of 1st classes this past year at the McGill Junior Certificate.

After the prizes were distributed, Col. Ogilvie voiced the appreciation of the leadership given by the Headmaster and asked that a holiday be granted the boys. Luncheon at two sittings in the School's Dining Hall brought the week-end's activities to a close.

We extend congratulations to the following for winning Prizes and Medals:

Canon S. Williams and members of his family (their son, James L. attended the School from '45-'53) presented to the School the Gold Cross which was presented to the Right Reverend Bishop Lennox W. Williams by the clergy of the Diocese of Quebec and personal friends in January 1915; and also the Bishop's ring of the Right Reverend Lennox Williams, and the Bishop's ring of his father, the Right Reverend Bishop James Williams, Headmaster of the School from 1857-63. The School is deeply appreciative of these gifts and it is hoped to include them in a School museum when the latter is formed.

The School gratefully thanks Charles and Hazen Porteous ('94-'00; '97-'03) for numerous boxes of books which came from the library of the Porteous family, Ste. Petronille, Island of Orleans, and which they have donated to the Peter Holt Memorial Library.

Games remain to be played with King's Hall and Lennoxville High.

PREP SCHOOL NOTES: -

The Prep started this year with new boys slightly out-numbering the old boys. Remove has 22 boys and for French, Latin, Algebra and Geometry this class is divided into two groups. Form 11 has 16 members and Form 1 a select group of six.

The Soccer season has, so far, been very satisfactory; the Prep having won all their games to date without having a goal scored against them. Yet to be played is the return game against Selwyn House School on 26th October and our annual visit to King's Hall, Compton, on 24th October.

When the hockey season starts the Prep will be entering three teams again in the Q.M.A. H.A. and in January, Mr. Cochand has again kindly offered our Ski Team a week-end of training at Châlet Cochand, Ste. Marguerite.
